AREA OF KNOWLEDGE

Multidisciplinarity

The content of the text and its data in its form, correctness and reliability are the exclusive responsibility of the author, and do not necessarily represent the official position of Seven Eventos Acadêmicos e Editora. The work may be downloaded and shared as long as credit is given to the author, but without the possibility of altering it in any way or using it for commercial purposes.

All manuscripts were previously submitted to blind evaluation by peers, members of the Editorial Board of this Publisher, having been approved for publication based on criteria of academic neutrality and impartiality.

Seven Publicações is committed to ensuring editorial integrity at all stages of the publication process, avoiding plagiarism, fraudulent data or results and preventing financial interests from compromising the publication's ethical standards. Suspected scientific misconduct situations will be investigated to the highest standard of academic and ethical rigor.

The contents of this Book have been submitted by the author for open access publication under the terms and conditions of the Creative Commons 4.0 International Attribution License
