AUTHOR'S STATEMENT

The author of this work DECLARES, for the following purposes, that:

Do not have any commercial interest that generates a conflict of interest about the published content;

Declares to have actively participated in the construction of the respective manuscripts, preferably under the following conditions: "a) Study design, and/or data acquisition, and/or data analysis and interpretation; b) Preparation of the article or revision to make the material intellectually relevant; c) Final approval of the manuscript for submission";

Certifies that the published text is completely free of data and/or fraudulent results and authorship defects;

Confirms the correct citation and reference of all data and interpretations of data from other surveys;

Acknowledges having informed all the sources of funding received to carry out the research;

Authorizes the editing of the work, including catalog records, ISBN, DOI, and other indexers, visual design and creation of the cover, and internal layout, as well as its release and dissemination according to the criteria of Seven Eventos Acadêmicos and Editora.

EDITOR'S STATEMENT

Seven Publications DECLARES, for rights, duties, and any methodological or legal meanings, that:

This publication constitutes only a temporary transfer of copyright, constituting a right to publication and reproduction of the materials. The Publisher is not co-responsible for the creation of the published manuscripts, under the terms established in the Copyright Law (Law 9610/98), in article 184 of the Penal Code and in article 927 of the Civil Code; The author(s) is solely responsible for verifying such copyright and other issues, holding the Publisher harmless from any civil, administrative, and criminal damages that may arise.

Authorizes the DISCLOSURE OF THE WORK by the author(s) in lectures, courses, events, shows, media, and television, provided that there is due recognition of the authorship and edition and without any commercial purpose, with the presentation of the due CREDITS to SEVEN PUBLICATIONS, being the author(s) and publisher(s) responsible for the omission/exclusion of this information;

All eBooks are open access, so don't sell them on your website, partner sites, e-commerce platforms, or any other virtual or physical medium. Therefore, it is exempt from copyright transfers to authors, since the format does not generate rights other than the didactic and advertising purposes of the work, which can be consulted at any time.

All members of the editorial board are PhDs and linked to public institutions of higher education, as recommended by CAPES to obtain the Qualis book;

Seven Eventos Acadêmicos does not attribute, sell, or authorize the use of the authors' names and e-mails, as well as any other data of them, for any purpose other than the dissemination of this work, following the Civil Rights Framework for the Internet, the General Data Protection Law and the Constitution of the Federative Republic.
